APPLICATION QUESTIONS

"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 niv

SUMMARY

The title of this weekend's message was "Prologue" as Pastor Frank took some time to look back at where we as a church have been, and where God is calling us go. We talked about who God has called us to be specifically as a congregation and we can each play our part.

APPLICATION

- 1. Pastor Frank shared that after 22 years as a church we don't have a new vision, but rather we're getting more clarity on who it is that God has called our church to be.**
 - Have you found that in your life God gives you more clarity about things as you follow Him in faith? If so, share an example that comes to mind.
 - Is there anything that God is calling you to do now but you hesitate to obey because you don't have all the answers? How can you take a step towards obedience this week?
- 2. If you were to condense what God has called us to do as a church, it's that we exist to help you find your place in God's story.**
 - Have you ever considered that God has an incredible story that He's still writing and that He has a specific part for you to play in His story?
 - What do you believe your part is to play in God's story?
 - How might you get more clarity on your part to play in His story?
- 3. Ephesians 4:11-16 teaches that God gives leaders to churches who are specifically gifted to equip the church, that the church may do the work of ministry.**
 - As you're being equipped at Calvary Chatt, how do you feel you're doing as a minister?
 - How might you grow in this area?

PRAYER

1. Thank God for His 22 years of faithfulness to our church.
2. Pray that we would continue to be the committed to the things that He's called us to.
3. Pray that we each would play our part in God's story.
