KICKOFF

What TV character do you most resonate with? Why?

SUMMARY

Jay Everett spent time sharing about Renew, a discipleship ministry of Calvary Chapel Chattanooga. He shared the history, the beliefs, and the practices of Renew, as well as a way for the entire church to partner with this vitally important ministry.

TALK IT OVER

1. Jay defined addiction as “something or somebody, other than the true and Living God, that controls the way you act, think, or feel.” In what ways do you allow things others than God to control your actions, thoughts, or feelings?
2. Renew is a discipleship ministry that focuses on making disciples of Jesus by doing five things: Teach, Train, Model, Encourage, Release. What has discipleship looked like for you in your life and who has been influential in that process?
3. Read Galatians 6:1 as a group. When a fellow believer messes up and falls, what are we supposed to do?
4. If you have dealt (or are dealing) with addiction, or you have a friend / loved one who has an addiction, how did this message impact you?
