APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

KICKOFF

The worst thing I've ever eaten is _____.

SUMMARY

As we've concluded our reading of the book of Leviticus in our 3-year Bible plan, Brian McKenney taught a follow-up message called “The Levitical Life”. In this message, Brian shared three keys that help to unlock the book of Leviticus.

1. Sin is serious

- Why is sin so serious?
- Brian asked the question, “Do I take sin seriously?” What's your response to that question?
- In the coming weeks how can you take the sin in your own life, however small it may seem, more seriously?

2. God is in the details

- Are you more of a “details” person or more of a “big picture” person?
- Brian asked the question, “Do I invite God into the details of my life?” How do you respond to that question?
- What would it look like for you to be more intentional about bringing God into the details of your life this week?

APPLICATION

3. Everything points to Jesus

- Can you give an example of someone you know who's life consistently points to Jesus?
- Brian asked the question, “Looking at my life, does everything point to Jesus?” Answer that question to the best of your ability.
- What is one thing that you can do that will help your life point to Jesus more clearly?

PRAYER

Pray that God would help us to apply the truths of Leviticus to our lives.
