## APPLICATION QUESTIONS

### SUMMARY

Pastor Frank continued in our series *The Return*, a study through Nehemiah, with a message entitled "When God Pushes Pause". As we looked at Nehemiah 2:1-10, we got to see God hit the "pause" button in Nehemiah's life. From this divine pause, we learned three important

#### 1. When God pushes pause, your burden will be confirmed.

- Talk about a burden that you've had in life that didn't diminish with time.
- How is God perhaps confirming a burden you currently have through the process of waiting?

#### 2. When God pushes pause, you can be sure there's a good reason.

- In moments of waiting, why is it so difficult for us to believe that God has a good reason for the delay?
- Talk about how now in hindsight, you can see a previous season of waiting as a good thing?

#### 3. When God pushes pause, you are being prepared for what's coming.

- If you are in a season of waiting, how can you keep this truth in the forefront of your mind?
- How can this small group pray for you in your while you're in the "waiting room"?
