

THE RETURN

Small Group APPLICATION QUESTIONS

"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 NIV

SUMMARY

Pastor Frank continued in our series *The Return* with a message entitled "When God Pushes Play" from Nehemiah 2:9-20. We saw God push "pause" for Nehemiah in last week's study, but now we see God now hit "play" in this week's study as Nehemiah returns to Jerusalem.

When God pushes play....

1. Provision matters

- Share an example, however small it may seem, of how you've seen God provide for you as you've walked by faith?

2. Expectations matter

- As you encounter people and situations in life, how can you grow in having proper expectations?

3. Facts matter

- Why are facts so critically important?
- We live in an age where we're flooded with information. How do you get to the facts?

4. Partners matter

- As we like to say at Calvary Chatt, "we're surrounding ourselves with godly community." How can you grow in godly community in these days of social distancing and isolation?

5. Patience matters

- How have you had to exercise patience lately?
- Practically, how can you grow in patience when you're in a season of waiting?

APPLICATION

PRAYER

Pray that we'd continue to walk by faith as God opens doors for us and pushes "play"!
