

THE MEANING *of* CHRISTMAS

SUMMARY

Pastor Frank continued in our Christmas series with a message entitled “True Things That Matter”. In this message, we looked further at the Christmas story in chronological order and discovered five **true** things that really do matter.

1. The Holy Spirit

Elizabeth was filled with the Holy Spirit. Talk about your relationship with the Holy Spirit. How can you grow in your dependence on, and relationship with, the Holy Spirit?

2. Our Faith

When Zacharias acted in faith, his speech returned. Is there a specific step of faith that you sense God is calling you to take? If so, how are you going to proceed in obedience?

3. Our Dreams

God had a dream for Joseph’s life that was somewhat different than Joseph’s dream for his own life. How does one discover what God’s dream is for their life?

4. Our Holy Night

Mary and Joseph’s hardest night was also their holiest night. Are you walking through something right now that is hard, but you’re still waiting to see how God is going to make it holy? If so, how can this group pray for you?

5. The Gospel

This Christmas season, how can you help spread the gospel of Jesus Christ to the ends of the earth?

APPLICATION

PRAYER

Pray that this Christmas season, the Holy Spirit would empower us to bring the gospel to the lost and hurting who need have yet to hear the good news!
