APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

SUMMARY

As we celebrated Easter at Calvary Chatt this year, we looked at what the reality of the resurrection of Jesus means for us today. Believers were encouraged to cling to the ascended Savior, while unbelievers were encouraged to call upon the name of the Lord.

1. Pastor Frank talked about the importance for all believers to cling to the ascended Savior and enjoy His presence (some FaceTime every day).

- Talk about what your relationship with Jesus looks like presently.
- If your relationship with Him isn't what you'd like for it to be, what do you need to do to pursue Him more intentionally in the coming season?

2. The devil attacked Jesus' body when He was crucified, seeking to destroy Him once and for all. The devil is still attacking the body of Christ (the Church) today.

- How have you seen the devil attack the Body of Christ, hoping to silence and ultimately destroy it?
- As a part of the Body of Christ, what can you do to prepare for the inevitable attacks that the Church will endure?

3. The Devil tries to put people into groups with the goal of dividing and conquering them. However, God only sees two groups: those who are lost and those who are found.

- Why is it so important to see people the way that God sees them?
- If you currently lack the desire to share the gospel with the lost, how can you cultivate that desire to share the good news?
