APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

KICKOFF

Who is the most famous person that you’ve ever met?

SUMMARY

This week was the third installment in our 2018 RISE vision series where Pastor Frank focused on the letter “S”, which means that *we’re surrounding ourselves with godly community*. In this message we learned five truths about godly community.

APPLICATION

- 1. Community is so important to God that He chooses to be in community Himself. Why is community so important to Him?**
- 2. What kind of impact has godly community had on your life?**
- 3. Which of the five truths that Pastor Frank shared about community stood out to you the most? Why?**
 - Community is godly
 - Community is a God-ordained thing
 - Community is uniquely for God’s people
 - Community doesn’t come easy
 - Community was the primary vehicle Jesus used to make disciples
- 4. Read Acts 2:42. We learn that this first church “continued steadfastly” or “devoted themselves” to fellowship and community. How would you describe your level of commitment to godly community?**
- 5. Practically, what will it look like for you to surround yourself with godly community in a more intentional way moving forward?**

PRAYER

Pray that we would more fully embrace God’s gift of community.
