Small Group

## APPLICATION QUESTIONS

*"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 NIV*

### SUMMARY

Pastor Kenny kicked off our new series, *The Return*, with a message entitled "Second Chances." As we looked at Ezra 1-2, we were challenged with some Biblical ideas about how to live in light of our second chances.

### APPLICATION

#### 1. A second chance....to be in awe of God's Word

- When was the last time that God's Word caused you to alter something about your life?
- What would a second chance to be in awe of God's Word look like for you?

#### 2. A second chance....to be anchored by the sovereignty of God

- In your own words, talk about what "the sovereignty of God" means.
- If you've allowed the events of this past several months to cause you to question the sovereignty of God, what would it look like to be re-anchored by His sovereignty?

#### 3. A second chance....to accept the invitation of God

- Pastor Kenny shared how there are goers (those who do the work), senders (those who resource and pray for the goers), and sitters (those who do neither). As it relates to various missions and initiatives, which of these categories do you tend to fall into?
- What would it look like to step into a greater role as either a goer or a sender?

### PRAYER

Pray that we would be wise and faithful stewards of the second chances that God gives us.
