IN IT TO WIN IT

APPLICATION QUESTIONS

"Do not merely listen to the Word, and so deceive yourselves. Do what it says!" (James 1:22 NIV)

SUMMARY

We examined 1 Timothy 6:1-2 as Pastor Frank brought his teaching "Good to Great in God's Eyes" in our *In It to Win It* series. In this teaching, we see where the gospel meets us, how the gospel keeps us, and how the gospel increases us...regardless of our station in life. We mustn't fall prey to the enemy's half-truths, but worship God in our work lives!

   - Why is this such a difficult thing to do?

2. **The Gospel is more than a message to be preached, it's a lifestyle to be lived!**

   - What inspires you to pay more attention to someone: the way they live or the way they speak? Elaborate on your answer.

3. **The Gospel comes to all people, no matter where they are. It transforms not only the individual but the environment they are in as well.**
   - How has Christ challenged you to be better, personally, and not stay the same?
   - What changed in your environment/circumstances because you decided to accept Christ and obey the Gospel? Did others see this transformation? Explain.
