APPLICATION QUESTIONS

"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 niv

SUMMARY

The title of this weekend's message was "When Moments Lose Momentum", taught by Ryan Borkan. He shared the story of the prophet Elijah when he ran from Jezebel in 1 Kings 19:1-18. When things aren't going the way we expect them to, God is still on the throne and He meets us in those moments!

1. When unmet expectations exhaust us, God is ready to meet us with rest and grace.

(See verses 1-7)

- What expectations do you currently have for how God should handle a situation in your life?
- Share a time when your expectations weren't fulfilled the way you hoped?
- Ryan asked the question, 'Why does it seem that the problems we face now are bigger than the ones we faced before?' How would you answer that?

2. When we get frustrated and off course, God brings us back to rock solid reality.

(See verses 8-10)

- In what area(s) of life do you find yourself getting most frustrated these days? Why?
- How do you receive correction when others advise you to make an adjustment?
- How quick are you to offer correction to others when you notice they are off course?
- In what way(s) has God revealed that you were off course in life/decisions?

3. When we are uncertain, God has perfect clarity. (See verses 11-18)

- How has God clearly confirmed which way to go when you needed to make a decision?
- Why do we tend to ignore seeking counsel when we are uncertain about things?
- What are you uncertain about right now that could use some clarity?
