APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

SUMMARY

Dr. Voddie Baucham shared a powerful message on the topic of spiritual warfare. In this message, we examined Ephesians 6:10-24 and learned several important, practical lessons.

1. Our Resources (v.10-11)

Most of us tend to fight spiritual battles in our own strength, using our resources. However, we're too frail and the enemy's too strong. Why do you tend to try to fight in your own strength, rather than through the power of God?

2. Our Goal (v.13)

Our goal in spiritual warfare is to stand firm. How can you stand firm when you're tempted to give in or even give up?

APPLICATION

3. Our Weapons (v.16-18)

As you read through this list of weapons available to you, which one stands out to you the most? Why?

4. Our Partners (v.18-20)

Ultimately, fighting spiritual battles is not something we should do alone. How can you fight alongside of other brothers and sisters in Christ, as well as allow them to fight alongside of you?

PRAYER

Pray that we would be strengthened to stand firm, knowing that Jesus has already secured our victory.
