## APPLICATION QUESTIONS

**“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV**

### SUMMARY

It's Missions Week here at Calvary Chatt, and it's been an amazing week of hearing what God is doing around the world. We've had the chance to bring in several domestic and global missionaries that we partner with for them to share what's happening in their ministries and how we can play a part. Each service was unique this weekend as we had a different missionary share their own message.

### APPLICATION

1. What service did you attend? Who was the missionary that you heard and what did they talk about?
2. What was something that stood out to you from the message you heard that was particularly encouraging to you?
3. Was there anything that they said that was challenging to you personally?
4. Based on what you heard, how can you now pray more specifically for the missionary you heard?
5. Did the Lord stir up anything in you this week (or weekend) where He's asking you to do something as it relates to missions and engaging our world with His love? If so, please share.

### PRAYER

Pray for these missionaries who are serving the Lord. Pray that they'd be encouraged and edified as they head back to their homes to continue their ministries.
