## APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

### SUMMARY

This weekend Pastor Frank interviewed a guest named Charlie Kirk. Each weekend service was unique and covered different topics, but all the content was delivered through the lens of what it looks like to follow Jesus and be a faithful citizen.

### APPLICATION

Due to the fact the context varied by service, we are going to forgo our typical weekend application questions.

Instead, we'd encourage your small group to look back over our previous week's Calvary Chatt 3 Year Bible Reading Plan and chose a passage to read together. The plan can be found on the Calvary Chatt app or at [calvarychatt.com/3-year-bible-reading-plan](http://calvarychatt.com/3-year-bible-reading-plan).

As you read and meditate on the selected passage, ask yourselves what you learn about God and what you learn about mankind from this passage.

### PRAYER

Please join us in our 30-day, church wide prayer initiative. Head to [calvarychatt.com/pray](http://calvarychatt.com/pray) to sign up for a prayer time slot.
