APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

KICKOFF

Who was one of your favorite teachers in school?

SUMMARY

Pastor Billy Venezia taught a message entitled “His Mission, Our Mission”. In this message, we took a fresh look at the Great Commission - Jesus’ command to all His followers. We were both encouraged and challenged to join God on His mission.

READ IT TOGETHER

Matthew 28:18-20

TALK IT OVER

1. Pastor Billy talked about how, initially, we all tend to think about “missions” differently - some are intimidated while others are eager to get involved. What is your gut-level reaction when you hear about missions and missions trips? Why?

APPLICATION

2. In verse 18, Jesus declared that He has all authority and power. What goes through your mind when you hear that Jesus’ power will be given to you as you “go and make disciples”?

3. Jesus gave the Great Commission to people with less-than-perfect backgrounds, but He used them in incredible ways. Why do we often let our personal story hold us back from sharing the gospel with others? What’s one way you can overcome this tendency?

4. In verse 20, Jesus promises us His presence as we go and make disciples. How does this bring you comfort and give you the courage to join Him on His missions of making disciples?

PRAYER

Pray that God would empower us as we join Him on His mission of reaching the world!
