## Small Group APPLICATION QUESTIONS

*"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 NIV*

### SUMMARY

Pastor Frank started the book of Nehemiah with a message entitled "A Mission a Question Makes". In this message, we were introduced to a man named Nehemiah whose life was about to change because he asked a great question.

#### 1. What makes you sigh?

- Talk about the "woe" of your soul. What are you burdened by?
- In the past, how has God used you to play a part in something that previously made you "sigh"?

#### 2. What matters so much you'd die for it?

- Is there anything currently that you care about so much that you'd be willing to die for it? If so, what's is it?
- Can you give any examples from history where people gave their lives for something that mattered to them?

#### 3. What questions are we afraid to ask, because if we got the answer it could change the trajectory of our life?

- Have you ever asked a question that changed your life? If so, please share what happened.
- What question(s) are you currently facing that you need the answer to?
