Small Group

## APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

We had a “family meeting” entitled *Going on 19* where we looked back over the past year to report in on our R.I.S.E. vision and talk about where we’re going as a church.

### SUMMARY

**READ:** *we’re reading God Word regularly to know Him intimately*

**INVEST:** *we’re investing our time and resources worshipfully*

**SURROUND:** *we’re surrounding ourselves with godly community*

**ENGAGE:** *we’re engaging our world with God’s love*

### APPLICATION

- 1. Read Matthew 7:24-27 as a group. We talked about the importance of a good foundation and how our foundation as a church is found in the acronym R.I.S.E.**
  - Looking back over your own life, what are some of the foundations that you’ve built your life on (for good or for bad)? How have those foundations affected your life?
- 2. We talked about how overall as a church in 2018, we embraced that actions associated with R.I.S.E. more than we ever have before.**
  - For you personally, how did you live out of the principles of R.I.S.E.?
  - What action is the easiest for you? What action is the most challenging for you?
- 3. We talked about three marks of maturity: Follow Through, Flexibility, and Faith. As a church, we’re following through on some building projects, we’re being flexible with our parking situation, and we’re taking a step of faith to purchase a property to provide for our ministries.**
  - In what way(s) do you need to grow in these three areas?
- 4. Read Psalm 92:12-14 as a group. We talked about it means to “flourish” and how we can flourish moving forward.**
  - As it relates to R.I.S.E., what area do you need need to make a decision to flourish and grow? What will you do?

### PRAY

Spend some time praying about the challenges and the opportunities that we’re facing as a church.
