APPLICATION QUESTIONS

“Do not merely listen to the Word, and so deceive yourselves. Do what it says.” James 1:22 NIV

SUMMARY

In his message entitled “The Way God Works” Pastor Frank taught through Exodus 13 & 14 in our continuing series, *Origins*. When we face adversity, our hearts can be sifted, even when we actually obeyed and followed God’s command!

APPLICATION

1. God knows what we can handle.

- Have you ever felt like God has given you “more than you can handle?” What were the circumstances?
- What situation are you presently facing that feels like it’s too much? What does it look like for you to trust Him with this particular situation?

2. Sometimes God leads us to impossible places to face impossible things.

- What is some of the fruit that you’ve seen in your life as a result of being divinely placed in an impossible situation?

3. When you’re where God called you, He’s got your back.

- Where has God called you, but you’re struggling to stay put?
- How does the fact that He has your back help you stay put?

4. God knows when to move.

- Give an example of a time when you’ve struggled with God’s timing.
- If you’re facing something right now, and it seems like God is “late”, how can you remember to trust in His perfect timing?

5. Go forward: turn your back on the fear and step out in faith toward a better future.

- God didn’t want Moses to give into the fear he felt, but rather follow Him in faith (See Exodus 14:15) Where do you feel fear right now?
- How might you say “no” to your fear and “yes” to faith in God?

PRAYER

To be trusting of God’s sovereignty, capability, strength and provision.
