What quarantine “norm” would you like to keep after? Why?

SUMMARY

Pastor Frank taught a special mother’s day message based on the life of the mother of Moses entitled “Mo Moms” from Exodus 2:1-10. We learned 3 principles from Moses’s Mom that any parent can apply to your parenting.

Opener: Tell the group a little about your mom. What do/did you like most about her?

1. Mo Moms see Mo (see Exodus 2:2)

They see more in their kids than what other people see. They see the good in their children when others might not.

- *What are some things you are seeing in your children and/or in children in general that other people do not seem to see? How might you grow in this area?*

2. Mo Moms say no (see Exodus 2:2-3)

Moses’s mom said no, she would not sacrifice her son to the king of the culture of that day. So, she hid the little guy. Similarly, moms & dads today are choosing to say no to a lot of things that they know would not be beneficial to their child’s development.

- *What are some cultural things Christian parents are saying no to these days? Why do you think they are saying no to them?*

3. Mo Mom’s let go (Exodus 2:3)

There is a time coming for every parent, like Moses’ mom, when they are going to have to let go of their child and let God care for him or her in a way that only the Lord can.

- *If you have already been through this letting go process, please share how it went?*
- *If you are in the midst of it, how is it going?*
- *If you have not yet been through it and/or if you do not have any children, what is something you have had to let go of? How was that for you?*

Bonus: Encourage the moms in the group by sharing any positive elements of their parenting you have personally seen or heard about.
