

THE RETURN

Small Group APPLICATION QUESTIONS

"Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 NIV

SUMMARY

Pastor Frank taught a message entitled, "God Wants Walls" from Nehemiah 6:15-19. In this passage, we read how the walls of the city were completed in 52 days and saw the reactions that this news brought. We learned three lessons about why God wants walls in our lives.

God wants walls because....

1. They bring God glory

- When the news spread that the walls were complete, God was glorified because the enemies knew it was a work He had done. What wall(s) have you erected in your life, for the glory of God, to protect the work He's done in your life?
- What is the present condition of that wall(s)?

APPLICATION

2. They buffet our enemy

- The enemy did everything they could to stop the walls from being rebuilt. As you build (or even rebuild) walls in your own life, how can you be ready for the inevitable attack from the enemy?

3. They bless those within

- Talk about how you have benefited from walls that you've placed in your life.
- This week, what is one wall that you need to start building or repairing?

PRAYER

Pray that as we build and repair walls in our lives, God would bless our efforts to do so!
