The Eyewitness to the Work of God

We live in a day and age where people are looking for evidence that there is a God, and yet sometimes deny the very evidence that is before them. However, if they look and see all that God has made, they will know that He is at work. Psalm 19 gives us eyewitness accounts about God and proves that he is at work today.

All of creation testifies to the glory of God. They declare the wonder of his works. There is no speech nor language in which his spoken word is not heard. There is nowhere on earth where God's wonder is not seen and heard. No one can deny how wonderful his work is. The seasons of the earth and the way the sun rises and sets are determined by the perfect law of the Lord, and there is so much more that testifies to the perfection of our God.

The word of God is perfect and flawless. It restores and refreshes the soul. His word is trustworthy, and it makes us wise. His word stands forever, and it will never fail. It has been proven time and time again and will always be proven true. It is important for us to study his word and to stay in his word because in his word is life everlasting.

Since creation testifies about who God is and his word is perfect and flawless and restores, let us be willing to speak the word of God to others. We have seen and experienced the work of God in our lives. Let us boldly declare the word of God to others so they can be restored and refreshed just as we have been. The word of God is powerful. Let us speak life to others so they can be transformed by the work of God.

Pastor Jonathan
