ATTENTION PARENTS

Today, Pastor Steve will be dealing with the topic of God's design for sexuality. While he will seek to be sensitive to young ears, the nature of the topic will require him to use the word "sex" and to refer to variations of it throughout the sermon. We know that is a sensitive topic, especially in our current culture, but this is a great opportunity for families to discuss sexuality from a Biblical perspective with your student. However, as the parent, you would know if attending this service is in the best interest of your child. If you typically bring a child 4th grade and under into service, you may want to consider having them attend their Kids Ministry classroom this week.
