If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

LAST DINNER DISCUSSIONS

There will be two more Dinner Discussions before we go self supporting that we would like for you to mark in your calendars. December 16th topic will be "Budget and Finances." Then our last one will be January 20th. Both of these will happen at 5 pm here are the church. This is your chance to be a part of the groundwork Keystone is setting for the future.

THOUGHTS AND REFLECTIONS:

Are you realizing that 2019 is quickly approaching you? We are winding this year down fast and will transition into the next soon. For some of you that does not mean much because you have a routine and plan that just keeps going.

At Keystone Church, we try to set vision for where we want to take people through a year. Last year, we focused on "Making Disciples." This year we will be focusing on "The Scattered" as we work our way through Ezekiel 34. The idea is to realign ourselves with the focus on the sick, weak, injured, strayed, and lost of our city and around the world. Also, we will be focusing more on taking the church through the Bible and creating a habit of daily time in God's word.

I know that many people are not big on New Year's Resolutions, but can I challenge you to start thinking about where you want to go in this next year? I think it is important to have a vision of progress that God calls us to. Although, it is easier to sink back into settling with where we are.
