We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

THOUGHTS AND REFLECTIONS:

Look around. This whole thing you see hapening right now is because of a team. A team of *a lot* of people donating their time. They believe in a vision that we have and they believed in it so much, they have used what they have to offer to make this all possible. Here are a few things that happened behind the scenes that we need to say thank you to today:

Barry and Maria decided we needed a dishwasher since we had a spot for one after spending hours and hours cleaning the kitchen and cabinets. So they bought one. Dale Van Sickle, along with hundreds of other things, installed the dishwasher and handled the leg work of the new cabinets in the kitchen. Brandon Miller and Ben Baum were involved there too. Nate Vamosi took the "Holy Roller" truck and got it ready for winter for us.

None of them did any of this for a "thank you," but thank you so much. Please let them know you appreciate them.

Pastor Nate
