

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

BULGARIA TRIP IS HAPPENING!

We are sending a team of people to Bulgaria August! As the details are coming in on this trip, we are asking that you start to help in two areas: 1. Start praying for this team and the trip. They will need to be reinforced with lots of prayer. 2. Consider helping financially. You will start to hear of fundraisers in the weeks to come and we encourage you to get involved. Also, the app now has a category to give to for this trip.

DISCIPLESHIP OPPORTUNITIES THIS WEEK.

Join us Wednesday night at 7pm as we complete our study "Thriving in Babylon." Also this week, you will have the opportunity to serve at Greater Things as Keystone hosts the meal on Tuesday. For more information about either of these, see a Pastor today.

TRAUMA AND EMERGENCY TRAINING DAY

Yesterday we took our security team through an intense day of training in responding to an active shooter situation. Thank you to everyone that came out and helped make this an effective way of being ready. Soon we will be hosting a first aid training. We want you to know that we are taking the threats of our day and time seriously and doing all we can to ensure that you have a safe worship experience. Thank you to those that serve in these volunteer positions. If you are interested in joining this team, see Pastor Nate.

THOUGHTS AND REFLECTIONS:

I have a new project I would like to tell you about. In our mission to send the church out into the city to change the world, we have started a vlog documenting this and emphasizing our attempt to get out into the city. This Youtube channel is called "My City: Greensburg." It is the story of how we as a church moved into our next phase of changing this city.

Along the way we will start discussions about Greensburg as we volunteer and serve in our community. There are many plans for the month of June, but in order to get it all going, we need your help.

Look up our channel on your phone or computer and watch the first 3 episodes of this vlog. Be sure to subscribe to the channel, like the videos, and leave comments. All of this helps us get the word out as traffic is directed toward this channel. Our plan is to release 1 video a week. We have also started a Facebook page by the same name and encourage you to go on there and follow it as well. Our goal is to have 300 subscribers in the first 3 months.
