

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

VOLUNTEERING FOR MARCH

We have attempted to set up the "Services" app with all the month of March volunteers. Please take the time to look and see where you are scheduled for the weeks to come. If you can't do it, just click the "decline" button. If you don't see a schedule, you have not been scheduled for this month.

EASTER EGG HUNT APRIL 20TH

We have been asked to lead the Greensburg Egg Hunt again this year. We have also decided to do things differently. Rather than it being Keystone Church and the City of Greensburg, we have invited the other churches in our city to be a part of this ministry opportunity. So far, we have had 3 other churches planning on joining us on this big day. That means more volunteers and more opportunities! So can you go ahead and block off April 20th for this event? We need you to help us serve our city!

MEMBERSHIP COURSE

Our very first ever membership class completes its fourth and final week this Wednesday at 7pm. We have been blown away with 29 people joining this class! Our goal is to offer this class 2 more times before April 13th, our self supporting date. Inside this bulletin you will find a sheet that will help us plan these dates so that if you are interested, you can be a part. After those two offerings, it will likely be 6 months before we offer the next chance to take the required class. So please let us know how we can help

THOUGHTS AND REFLECTIONS:

I remember walking into a church in rural Missouri that I was speaking at one Sunday night. We had just spent the last 7 months visiting a different church each week, dreaming about the vision that would one day become Keystone Church. The sanctuary was empty and as we waited for someone to acknowledge our presence in the building, we sat and listened to the laughter and talking coming from the felwwoship hall where the church was having a dinner. It hit me hard. I missed the friendships and connections that you got at a church after spending all these months on the road.

I think we take that for granted until we do not have it. Some of you come here, watch the show and then leave. Can I be blunt with you? You are missing the obviously biblical teaching of being in a community, having friends and serving together. You will find some of my favorite people sitting near you this morning. People that I have poured my life into and they in return have done the same for me. They have changed my family and I am beyond thankful for them. Make it a point before you leave today to get to know some of these amazing people. Better yet, plan to join us for something during the week where the setting is perfect for that ype of thing and come early so you are not rushing in then out the door. You won't regret it! ---Pastor Nate
