

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

NEW VOLUNTEER TEAMS

Did you know we save the church about \$1,400 a month by volunteering to clean the building? You can be a part of that kind of help by searching for the "Planning Center Services" app on your phone. Once we add you into the system, you will be able to find "sign up" sheets on the app to volunteer to help clean an area of the building this week. Check it out!

LAST DINNER DISCUSSIONS

There will be two more Dinner Discussions before we go self supporting that we would like for you to mark in your calendars. December 16th topic will be "Budget and Finances." Then our last one will be January 20th. Both of these will happen at 5 pm here are the church. This is your chance to be a part of the groundwork Keystone is setting for the future.

INTERSTATE 515

We will be taking a break from regular mid-week studies for the month of December to focus on our Christmas and New Years plans. However, this week the Manner (Wed.) and the Women's Worth (Thurs.) meetings will happen. Also, if you would like to be involved with Greater Things, we will be providing that meal. Please see Pam Jones.

THOUGHTS AND REFLECTIONS:

There are some of you that I have talked to recently that I am so encouraged by what God is starting to move in your life. I have seen some of you perched on the edge of experiencing God in a new and exciting way, which is what I long to see in all of your lives.

You know what I have learned in these moments though? The waiting and being ready can be discouraging. I want to encourage you to not get too anxious for the end result, but see rather that what God wants to do in your life is not about the end result only, but also the journey there. He has something you need to learn in the school of waiting that will help you when you get where you are going.

Can I use that thought to really encourage you to not neglect your time in God's word? That is vital in your life now and always. Our goal in 2019 is to take as many people through the Bible in a year with the Read Scripture app. Why not start praying about joining us when we begin this journey in January? I promise it will change your year!
