

WHAT YOU NEED TO KNOW:

We are honored that you have joined us for our Sunday event! If this is your first time with us, please find the card inside this bulletin and take the time to fill it out. We want to trade that with you for a free gift and a \$5 donation, in your honor, to one of our favorite local charities, Greater Things. As you are leaving, feel free to give it to a pastor or drop it in the offering plate. It is great to have you here!

CHRISTMAS PROGRAM

We will be having our Annual Christmas Eve service at 7pm, Tuesday, December 24th. The message will be a continuation of our series, "Unto Us" and a candlelight service will follow at the end. For those making plans, this service will be about 1 hour.

GROUPS

We will be taking a break from Groups for the rest of 2019. However, there is a lot that needs done around the building. Why not consider donating an hour of your time and just seeing how you can help with general clean up or maintenance during this break? Just talk to Pastor Nate if you would be able to volunteer some times.

FINANCIAL PEACE UNIVERSITY

Going into debt is one of the easiest things that you can do, while getting out of debt is one of the hardest things you can do. Wouldn't it be great if there was a biblical blueprint that would help us know what the wisest way to walk through our finances would be? That is the point of FPU, Dave Ramsey's biblical approach to how to handle finances and debt. We are offering this class in the month of February as a small group topic. So if you are tired of living paycheck to paycheck, be watching for this class.

MISSION STATEMENT

"Keystone Church exists to reach and serve the community, to bring hope and healing across the street and around the world."

THOUGHTS AND REFLECTIONS:

"I would do anything for God...but no that." Do you have anything in your life that you would say that about? For me, it was the idea of going into ministry. It didn't fit me and therefore I felt that I would have to change everything about who I am to become who I am not. What I did not take into consideration is that if God created me and loves me, desiring only the best for me, and that is what He was calling me to, then maybe I had it wrong and not God.

In 2020, we want to focus on the theme of saying "Yes, God!" Our goal is to guide us all into the place that we have more and more faith moments where we trust Jesus and follow His call. That may mean some very big seps that some of you will take this year, and that can be scary. But is it not true that God desires that we prosper in being His creation and not falter? If that is true, then why not start praying about making your answer to whatever God could ask, "Yes, God!" Be watching in January as we start to unpack this idea and our theme verse for 2020, Matthew 6:33.
