

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

VALENTINES DAY BANQUET

We are planning for our annual Valentine's Day Banquet February 9th at 5pm. If you have never been a part of this, it is open to everyone (even single people!). Each year we have a great meal, beautiful decorations, and a few fun games including our version of the Newlywed Game. We want you to invite someone and sign up in the hallway as you are leaving this morning.

SCATTERED 2019

Every January we start the year by focusing on a vision for what will drive the rest of that year. Last year we started with "Make Disciples," this year we will be looking at "Scattered" through Ezekiel 34:1-10. These are the sermons that will help drive our plans for 2019. So plan to join us through the month as we continue our new sermon series today.

JOIN US FOR A TIME OF PRAYER

ww will be having Prayer focus time on January 16th and 23rd at 7pm here at the church. The Manner will be the 30th and Women's Worth will be the 31st. In February we will have a New Membership class running each Wednesday at 7pm. Please mark your calendars!

THOUGHTS AND REFLECTIONS:

It was 11 years ago that we came to Greensburg to plant the Keystone Church. We had nothing to start with and no place to begin. Finally, we settled on renting a space and then bought our own equipment that could be moved around. So starting right off the bat, we went dep in debt that had to be made up as we struggled to pay rent and pay for our equipment. Years later, we were able to catch up.

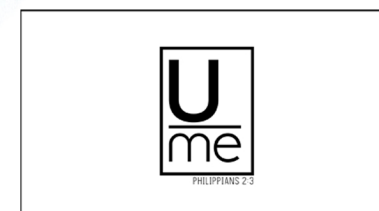

I want to let you know about a decision that we made this week. Recently a church planter looking to plant a church in Greensburg, approached us about the use of our building. We began to pray about this and decide what we wanted to do. It would cost us utilities, wear and tear, and so much more, so what do we charge for something like this? There were a few people that got together and decided that if we were given this sort of a beginning, it would have dramatically changed our trajectory. Therefore it was decided that we offer to give the use of our building for free to this church as they are starting out. It fits in our vision of encouraging pastors in Greensburg and planting more churches. Lets start praying for this church plant and thank God that we have been given the resources to bless this church like this.
