

## What you need to know

### WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

### CHRISTMAS EVE SERVICE 6PM

The current sermon series "Worship" will conclude on Christmas Eve at 6pm. There will only be one service that evening and we want you to invite as many people as you can. December 23rd will be the Kids Christmas Program during the 11am service. We are asking everyone that does not have children in that program to consider the 9am service that Sunday.

### LAST DINNER DISCUSSIONS

Tonight we will sit down to supper and discuss the 2019 budget plans for Keystone Church. How will we make financial decisions as a church and how will we decide how to operate in our budget? We believe in total transparency for all things financial and you should know what that means. Join us for the discussion tonight at 5pm.

### NO-MIDWEEK STUDY

No Mid-Wek Bible Study this week. Looking for something to study? Why not check out the blog on the app or website as we are studying Ezekiel 34:1-10. Need a paper copy? Look under the globe in the hallway as you leave for the "Scattered" print out. This week we featured the 6th blog in that series titled "6. The Strayed"

## THOUGHTS AND REFLECTIONS:

I honestly believe that all of our problems in life could be answered directly from the Bible. Yes, I get the full effect of what I am proclaiming there, but I truly believe it. I am not saying that it will be spelled out in black and white letters, but the principles and teachings have the implications that we need to navigate every part of what we face.

Therefore the saddest reality that we have in this church is that a lot of people have never read the Bible before. We al make claims, with our actions, attendance at church, and even our words about what the Bible says, but some of us have never even really read it. That seems contradictory.

If we really want to change our world, community, or families, don't you think we need to have a grasp on what the Bible says? That is why I want to continue to encourage you to join us as we read through the Bible starting in January of 2019. December 30th we will unveil how we plan to accomplish this as a church.

Pastor Nate
