

WHAT YOU NEED TO KNOW:

We are honored that you have joined us for our Sunday event! If this is your first time with us, please find the card inside this bulletin and take the time to fill it out. We want to trade that with you for a free gift and a \$5 donation, in your honor, to one of our favorite local charities, Greater Things. As you are leaving, feel free to give it to a pastor or drop it in the offering plate. It is great to have you here!

CHRISTMAS PROGRAM

Be sure to join us December 22nd for our Christmas Program featuring many different talents in music and also the kids program. Also, mark your calendar for our Annual Christmas Eve service at 7pm, Tuesday, December 24th.

GROUPS

We will be taking a break from Groups for the rest of 2019. However, there is a lot that needs done around the building. Why not consider donating an hour of your time and just seeing how you can help with general clean up or maintenance during this break? Just talk to Pastor Nate if you would be able to volunteer some times.

MARRIAGE RETREAT

We are planning to host a marriage retreat presented by Pastor Tom and Pam here at the church, on the weekend of December 13-14th. Our goal is to plan childcare and want to encourage you to make plans for this free weekend. It will start Friday in the evening and then continue Saturday with breakfast and conclude later that afternoon. This is also a great chance to invite someone you know to join you!

THOUGHTS AND REFLECTIONS:

As Christmas approaches and you begin to prepare for that family time around the Christmas tree opening presents, how do you think through it all? There are two ways to come out the holiday season: the first is the rational way, where you plan and budget for a while and therefore the season doesn't sneak up on you. The second is the emotional way, where you peak at your bank account statement every time you see something neat in a store and plan fun trips out shopping while you are singing carols, only to have the song stifled when you feel the full weight of the credit card bills later.

Debt stinks. In reality, we go into debt to buy something we don't have the money for. In other words, if you buy it on credit, by all definitions, you can't afford it. This is the source of a lot of marriage turmoil and other stress and anxiety.

But how can you survive without doing this? Don't you have to go in debt? Financial Peace University is a course addressing that very idea...and it is coming to Keystone Church in February. Why not consider joining us as we look at Dave Ramsey's better plan for life?
