

## What you need to know

### WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

### CHURCH OR SERVICE?

We are transitioning to a new church management volunteer system. This will notify each volunteer automatically and allow you to confirm your availability. If you received an email this week, please follow instructions there. We recommend downloading the "planning center: services" app to see more features and help.

### BATHROOM REMODELS

Do you have experience laying floor, painting, and other general remodeling tasks? We had some money given to remodel our bathrooms to a little more updated look and would like to begin this process soon. If you can help out for an hour or two and are interested in helping with these projects. Please talk to Pastor Nate today before you leave.

### MANNER AND WOMEN'S WORTH

This week we will be returning to our men's meeting on Wednesday and the Women's meeting on Thursday. Each will have food and we encourage you to come be a part of these studies. Both nights these groups will meet at 7 pm and we encourage you to bring someone with you.

## THOUGHTS AND REFLECTIONS:

This whole task of going self-supporting has been quite the haul! As we near closer and closer to January, we are trying to make sure that all pieces are in place and ready to go. We have hosted two dinner discussions here at Keystone to discuss the different things that will be implemented in this process. I want to take a chance to invite you out to another one of those on October 28th at 5pm. This time we will be discussing how boards will function, form, and serve the church. I know that many of you have had questions on this front and I would love for everyone that wants to make sure that Keystone gets off to a good start, to plan on joining us here at the church on that Sunday night. We will enjoy a great meal and have a great discussion. You will help us as we move forward with our goal, that we believe needs every one of us on board, of going self supporting. Thank you for considering this important meeting.

Pastor Nate
