

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

BULGARIA TRIP IS HAPPENING!

We are sending a team of people to Bulgaria August! As the details are coming in on this trip, we are asking that you start to help in two areas: 1. Start praying for this team and the trip. They will need to be reinforced with lots of prayer. 2. Consider helping financially. You will start to hear of fundraisers in the weeks to come and we encourage you to get involved. Also, the app now has a category to give to for this trip.

THRIVING IN BABYLON- A NEW STUDY!

Wednesday at 7 pm we will be continuing our new study about Daniel and how he was able to be who he was in the culture that he lived in. Join us for this 5 week study that will include videos, discussions, and follow along in the Bible. Plan to join us for this study Wednesday at 7 pm.

SPAGHETTI FOR BULGARIA

Want to change the world and have spaghetti? If you said, "No!" we think you are lying! Next Sunday, after both services, we will be offering a Spaghetti Lunch as a fundraiser for the Bulgaria Missions Trip. So plan on having lunch with us, or at least getting an order to go. After the 9am service, it will be available for take home orders. After the 11am service, we encourage you to stay for lunch, but also will have it available for to go orders. 100% of all collected will go to the Missions Trip coming in August.

THOUGHTS AND REFLECTIONS:

"My mom made me go to church growing up." That statement can be taken two ways, negative or positive. For me, it is a very positive statement. We didn't just go on Sundays, we went every single time the doors were open. My mom served in the position of Youth Leader, Youth Choir Leader, Teacher, and many other areas. As a family, we never read the Bible together. I do not remember a time we prayed together regularly. She often talks about these moments as a kid that I would reveal something to her with my childlike faith, but I don't remember those talks.

There are a lot of moms at Keystone Church that are frustrated because they feel they are the only ones trying, they are discouraged because they come to church alone, and they are annoyed because their kids are not seeming to be growing. You feel like you are wasting your time, dragging the kids for no reason. Can I encourage you to keep going? Don't stop. I promise you that each "wasted" Sunday is doing something and your habits will be remembered!
