

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

NEW VOLUNTEER TEAMS

Our new volunteer system is launching well. We are asking everyone to download the Planning Center: Services app to your phone. Here you will find the schedule for all positions. Also, we will have a place for you to sign up to help clean on a given week. Take a look at it now and see if there is somewhere you can help out next week. Not on a team? We could use you! See Pastor Nate today.

LAST DINNER DISCUSSIONS

There will be two more Dinner Discussions before we go self supporting that we would like for you to mark in your calendars. December 16th topic will be "Budget and Finances." Then our last one will be January 20th. Both of these will happen at 5 pm here are the church. This is your chance to be a part of the groundwork Keystone is setting for the future.

EXPERIENCING GOD

Experiencing God will continue this Wednesday and run through November. December we will take a break from mid-week studies, so this is your last chance to get involved in this incredible study. Don't worry if you have missed the whole thing so far, now is a great time to get involved! See you all Wednesday at 7pm!

THOUGHTS AND REFLECTIONS:

If you were to go to Youtube and search for "The Bible Project", you would open up a world of incredible videos on that channel that could give you a deep understanding of the Bible, much like you have been longing for. They have videos about books of the Bible, sections of the Bible, word studies in the Bible, and many other things. They are all animated, which brings it down to my level of understanding. I have greatly benefited from this resource and want you all to know about it as well.

They also have an app that I am excited about. This app, coupled with their videos, takes a person through the Bible in a year of reading. I want 2019 to be the year that we grow deeper in God's word than ever before. So do me a favor; start praying about joining us in a churchwide effort to use this app to read through the entire Bible in 2019. If you have never done this, this is a great time to try.
