

WHAT YOU NEED TO KNOW:

We are honored that you have joined us for our Sunday event! If this is your first time with us, please find the card inside this bulletin and take the time to fill it out. We want to trade that with you for a free gift and a \$5 donation, in your honor, to one of our favorite local charities, Greater Things. As you are leaving, feel free to give it to a pastor or drop it in the offering plate. It is great to have you here!

THANKSGIVING BLESSING

Jamie McNaughton will be gathering ideas of 4 families that we can bless and show love to on Thanksgiving by providing the meals for them. If you would like to be a part of this blessing, please see Jamie today to help her plan.

GROUPS AND WOMENS WORTH NEWS

We will be taking a break from Groups for the rest of 2019. However, Women's Worth Study will be meeting this Wednesday at 7pm. Along these lines, be looking forward to a Financial Peace University class on managing debt and understanding God's principles about money starting in February!

MARRIAGE RETREAT

We are planning to host a marriage retreat presented by Pastor Tom and Pam here at the church, on the weekend of December 13-14th. Our goal is to plan childcare and want to encourage you to make plans for this free weekend. It will start Friday in the evening and then continue Saturday with breakfast and conclude later that afternoon. This is also a great chance to invite someone you know to join you!

GIVING INFORMATION:

Amount needed to reach budget: \$2,300

Amount recieved last week: \$4,104

MISSION STATEMENT

"Keystone Church exists to reach and serve the community, to bring hope and healing across the street and around the world."

THOUGHTS AND REFLECTIONS:

I have an idea I want to kick off in 2020. I want to start a quarterly round table, style discussion for parents of kids from all ages. I am starting to realize, even more so, the overwhelming responsibility in all seasons of parenting and the real need for a support system of wise people.

That is why I want to host these discussion/outreach times on topics like "Understanding the Youtube phenomenon," "Screen time, Filters, and Web Access," "What age should we consider getting them a cell phone?" and many more ideas like this. In the meantime, I want to spend time researching this, reading books, and gathering ideas for the discussion. So if you are a parent, and this is something that you definitely think would be beneficial for you and others, why don't you join the research team as we prepare?

Talk to me today and I have a book or two that you could read. I want to start people on some internet searches as we try to find out how to navigate these ever-increasing-in-depth waters before us as parents. I am looking forward to learning with you all!

-Pastor Nate
