We are honored that you have joined us for our Sunday event! If this is your first time with us, please find the card inside this bulletin and take the time to fill it out. We want to trade that with you for a free gift and a \$5 donation, in your honor, to one of our favorite local charities, Greater Things. As you are leaving, feel free to give it to a pastor or drop it in the offering plate. It is great to have you here!

## THOUGHTS AND REFLECTIONS:

I find it funny to see how much we miss in conversations with people. It is less funny when it is how much a child misses when a parent tells them to do something. But that same frustration applies to all relationships and communication. Right husbands? (and wives?)

I have to believe that same idea happens in our lives with God. I have to believe that it is even more prevalent there, because we tend to talk to Him less than we should and, certainly, we tend to listen to Him less! Therefore, it would be silly to assume that we hear from God quite well or understand what God wants from us quite well. In fact, I would venture to say that we probably miss it more often than we nail it!

If we are challenging ourselves to get to the place of "Yes, God!" then we have to bring into that challenge an effort to do better at listening and communicating with God. So how are you doing? Have you sat still and invited God to just talk to you while you wait silently and think through what He lays on your heart? How can we do that this week? \*
