

## What you need to know

### WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

### VOLUNTEERING CLARIFICATIONS

Currently, we are working on developing a more clear "Teams" way of talking about volunteers. There has been some confusion with all of the changes on what to sign up for and what not to sign up for. Each week the building is cleaned by volunteers. Each week, on the SERVICES app (not the Keystone app) there is a place to *sign up* for a section of cleaning in the building. When you get the notification, it will say you have been scheduled to clean on the Sunday of that week. This means that you have volunteered to clean FOR that Sunday, not ON that Sunday. You can then come at any time after Wednesday night and before Sunday morning to clean that portion. No one needs to be here for you to do this, we can make arrangements to get you in. If you want to come Friday morning, go for it! If you want to come in Saturday at midnight, ok.

Everything else that you volunteer for, you sign up for a team by talking to the leader or Pastor Nate, and we rotate that team each week. If you are scheduled on a week that you can not make it, just reply in the SERVICES app that you can not work that week. It will notify us, and we will make the necessary changes. *The earlier you reply, the better.* That is why we try to have a full month of the schedule up on the app.

Open it now and see where you are scheduled each week this month!

## THOUGHTS AND REFLECTIONS:

I think that it is safe to say that we had a more eventful and exciting Sunday here at Keystone Church, than the Super Bowl! The crazy thing is they spent millions and millions of dollars to make that possible. Jesus died on the cross to make ours possible!

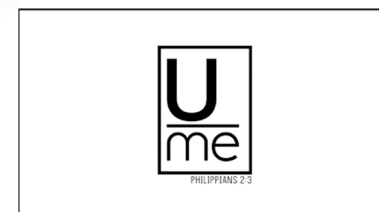

I am obviously joking about the entertainment factor (although I did truly enjoy church more than the Super Bowl!), but let me express how much I love worshipping at Keystone Church. Every single day I am re-energized and excited about what God is doing. Never have I been a part of a church where a bigger percentage of people are volunteering, responding to the sermons, or reading their Bibles than we are seeing right now! Those are all things that need to be celebrated.

Hopefully, with your own personal studying, your being involved, and the sermons, you feel you are growing in your walk with the Lord. I want to encourage you to keep going! Keep fighting, because many of you are forming new habits and lives that are stretching you. So keep moving forward! Don't give up! I am here for you, cheering you on and believing in you. If you need to talk or you need help or you feel overwhelmed, don't go through it alone. We are here for you and want to see you keep moving forward! Thank you for encouraging me as I get to watch you all grow. - Pastor Nate
