

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

GREATER THINGS NEEDS

Greater Things Ministry is in need of a few cheap items to replenish their stockpile. Diapers (all sizes), wipes, dish soap, shampoo, conditioner, napkins, paper towels, toilet paper, baby soap, and deoderant. While you are at the store this week, why not grab a few extras of each of these. You can deliver them to 3 West Otterman, or just bring them to Keystone and we will get them to Great Things.

BONFIRE BIBLE STUDY- WEDNESDAY @ 7

We are moving Wednesday night Bible study outside. Weather permitting, we will be enjoying homemade ice cream and a bonfire while studying in Groups this Wednesday. Bring a chair, a bible, and let's enjoy summer the way it was supposed to be enjoyed! Study starts at 7, fellowship @ 6:30.

INTERSTATE 515 NEEDS YOUR HELP

Once a month we offer a teen and young adult study and get together. It is held on the SECOND Sunday night of each month. It is our intent to get the word out about this study. If you know someone of this age group, why not invite them. If you have a son or daughter in this age group, why not go ahead and help them plan on joining us July 14th for the next one. The rest of us can all help by praying for this ministry.

THOUGHTS AND REFLECTIONS:

I dream of big things. When I sit and let my mind wander on all the things that I long to see happen, I find myself looking back at reality from a far off place. Lately, I have been dreaming past just planting a church to imagining what the next step will turn into at Keystone Church.

I hate that the church just exists in this city. Not only Keystone, but it seems that all of the churches are just buildings that you drive past and never really see or hear of, except the occasional thought that the building is occupied on Sundays.

I long for a church that is something more in a city. I long for a church that changes a city. I mean really, literally makes an everlasting impact and absolutely changes a city with the Gospel. Maybe not even one church, but I long to be a part of some moving in Greensburg where it is obvious God used the churches to reach the people.

Next week is Missions Sunday. That is when we will be announcing a BIG new effort toward these dreams. Could this be what changes our city?
