

What you need to know

WELCOME!

We are so honored that you have chosen to worship with us here this morning! If this is your first time with us, please locate the card inside this bulletin and take the time to fill out the information there. We would love to trade this with you for a free gift as a way of saying thanks! As you leave the service, just hand that card to a pastor and we will make sure you are taken care of. It is great to have you here!

MEMBERSHIP COURSE CLASS TODAY!

There are four classes required to be completed to join Keystone Church April 13th. EACH person joining needs to complete these classes. We are offering 2 of them today from 1-3 pm. We are providing childcare and lunch to help everyone that desires to go through this class. Let us know soon if you are joining us.

EASTER EGG HUNT APRIL 20TH

We have been asked to lead the Greensburg Egg Hunt again this year. We have also decided to do things differently. Rather than it being Keystone Church and the City of Greensburg, we have invited the other churches in our city to be a part of this ministry opportunity. So far, we have had 3 other churches planning on joining us on this big day. That means more volunteers and more opportunities! So can you go ahead and block off April 20th for this event? We need you to help us serve our city!

MANNER AND WOMENS WORTH

We are excited about joining together for the Manner Wednesday night for men at 7pm and the Women's Worth meetings Thursday at 7pm. Each of these will have a meal and you will love the discussions. Also, that afternoon our new Intercessory Prayer team is meeting. If you are a prayer warrior and would like to be a part of this, see Vicky Kubas or Judy Barry.

THOUGHTS AND REFLECTIONS:

Tomorrow, 12 Free Will Baptist church planters from the Northeast and Canada will gather here at Keystone for the Bi-Annual RECaps Conference. We were asked to host this event even though we are only weeks away from going Self-Supporting and no longer being a church plant. We have been to many of these over the years and it is strange to think this is the final year for us. At the heart of who we are as a church, is the idea that we are always a part of starting more churches. It is in a great honor that we have building that allows us to host something like this. Also, tonight the local church plant will be meeting in our facilities. Our building was a gift that has been supported for years by people all over the world that have believed that starting churches is the answer to many of the issues we are seeing in our world today. We need more churches. We need more disciples being made in more churches. Please, do not ever lose sight of that truth. Also, remember that next Sunday is Mission's Sunday and we challenge everyone to bring \$10 to take part in the Mission's Offering for this month. Let's do all we can to plant churches all over the world!
