

## WHAT YOU NEED TO KNOW:

We are honored that you have joined us for our Sunday event! If this is your first time with us, please find the card inside this bulletin and take the time to fill it out. We want to trade that with you for a free gift and a \$5 donation, in your honor, to one of our favorite local charities, Greater Things. As you are leaving, feel free to give it to a pastor or drop it in the offering plate. It is great to have you here!

### GREATER THINGS HELP NEEDED

We have purchased a sound equipment and tv set up for the Greater Things Ministry. Now we would like to get this set up. We are looking for 2-3 guys that can help with getting this installed and set up. If you are interested in helping, please see Pastor Nate today. We will set up a time and date when we know who is involved.

### GROUPS

Are you available during the day on one weekday and looking to grow in your Discipleship journey in a small Bible Study? Pastor Nate is looking to start a small group that will meet weekly and walk through the 8 Signposts of a disciple, which will create the frame of what we start doing at Keystone Church. If you would be interested in this group, please see Pastor Nate today to discuss plans.

### MARCH EVENTS HAPPENING

Today after service, Emily Seese will be hosting a Spaghetti Dinner at 6pm with dessert and a discussion about her upcoming mission trip to Kenya. She will be sharing her passion for missions and also how you can be involved in this trip coming up soon. Please consider supporting this trip and encouraging her in this work.

## THOUGHTS AND REFLECTIONS:

I think to shrink away from gathering as a church in this time of great histeria and fear would be a mistake. Don't get me wrong, there is a level we could reach that gathering together may not be wise, but I do not think we are there yet.

The gospel is vital at times like this. Jesus came among us sin sick people and healed the physically sick, by touching them, the most unthinkable approach to that situation. That set an idea for us to pay attention to. As Christians, without being unwise and foolish, our approach to sickness should be to move toward it in hopes of offering what Jesus offers.

The idea of transmitting a disease by cough or touch is a real fear and it has its place all throughout the Old Testament Law. But then Jesus comes and his healing touch, rather than catching the disease, passes the healing.

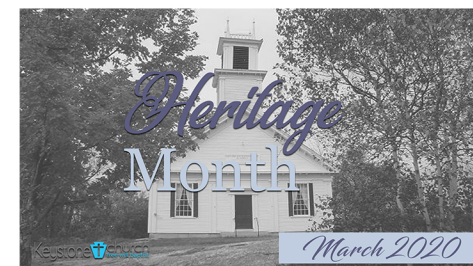

This is a theme in the Bible, so what are we to learn form it? Our goal is always to move toward people, not away. That doesn't mean foolish living and uncaring approaches, but it does change our fears. How will the church be the church during the Coronavirus?

-Pastor Nate
