

All I Need Is Jesus

Verse 1

There is nothing new under the sun
Yet we pursue love and life
looking for a perfect outcome
God has promised good thoughts toward us
And that Promise is found in Jesus

Chorus

All I need is to know His love
All I need is to walk in His peace
All I need is to finally see
That All I need is Jesus
Yes Jesus, living in me

Verse 2

Life goes on as things stay the same
Lord help us know your promises
And Word still have not changed
To remember your good thoughts toward us
And that Promise is still found in Jesus

Chorus

All I need is to know His love
All I need is to walk in His peace
All I need is to finally see
That All I need is Jesus
Yes Jesus, living in me

It doesn't matter how broken hearted
All that matters is God's Love for us
And that Love is found in Jesus

It doesn't matter where we're from
All that matters is God's Love for us

All I need is to walk in His peace
All I need is to finally see
That All I need is Jesus
Yes Jesus, living in me
