

The City's Maker's Face

Isaiah 26

Verse 1

One day we will lift our voices and sing
As we enter into that City built by our King
The walls are salvation and grace
An eternal home for all those
Who have laid eyes of faith
On the City's Maker's Face

Chorus

Trust , O sinner, In the One who Saves
Trust , you who are broken that God
Has prepared a place
Trust in Yahweh, breathe His Name
Trust in the Lord, He took your blame
He will give you life like you've never known
He has built you a city, your everlasting home

Verse 2

One day all man's pride and unbelief
Will be crushed by the foot of the redeemed
Life lived today will be made manifest
Only true Worship will be what is blessed
Have you placed your eyes of faith
On the City's Maker's Face?

Chorus

Trust , O sinner, In the One who Saves
Trust , you who are broken that God
Has prepared a place
Trust in Yahweh, breathe His Name
Trust in the Lord, He took your blame
He will give you life like you've never known
He has built you a city, your everlasting home

Bridge

We know Lord you're coming
Like a thief in the night
So help us in these dark days
To be Your Living Light
Help other's see in us
Your Mercy and Your Grace
So when they look to us
They see the City's Maker's Face

Chorus

Trust , O sinner, In the One who Saves
Trust , you who are broken that God
Has prepared a place

Trust in Yahweh, breathe His Name
Trust in the Lord, He took your blame
He will give you life like you've never known
He has built you a city, your everlasting home
