

# MINDSETS: A HOLINESS MINDSET

## DISCUSSION GUIDE

### SUMMARY:

We have all heard the phrase “It’s personal!” It’s a statement used to describe something that’s dear and at the core of a person’s feelings and/or convictions. This phrase is rooted and grounded in the human heart. In fact, most people respect a person who holds true to that which is personal. Likewise, having a biblical “mindset” must be deeply personal for the follower of Christ. It’s the only way to experience authentic transformation. In our passage today, we are going to see a Holiness Mindset from King David. His mindset comes from his personal failure. For David, getting right with the Lord is everything. Not only vertically before the Lord, but also before others. Let’s turn our attention to Psalm 51:1-6 and let David’s Holiness Mindset instruct us.

**Key Passage:** Romans 12:1-2; Psalm 51:1-6
