

FAMILY LESSON - WEEK 8

Materials: Paper Invitation (printable or paper to create your own), Coloring Utensils

CIRCLE UP

Use this time to gather together and get everyone talking.

DO Have each family member think of a sea creature and act it out for the rest of the family to guess!

SAY That was so fun! One of the most fun things we can do is share Jesus with others who may not know Him. Jesus loves everyone so much, and it's fun to get to tell others about His love for them! If you can share Jesus, let me hear you say this after me:

Share (cup hands around mouth)

Jesus (both hands point up)

WATCH

Watch today's Elementary and/or Preschool video [here](#) or on the KidSpring App or YouTube channel.

ASK your Elementary Schooler:

In today's Bible story, what did Peter share with the people? (They can follow Jesus, to turn away from their sins and be baptized, Jesus can forgive their sins)

Who is one person you want to share Jesus with?

ASK your Preschooler:

Can we share Jesus by inviting people to church?
(Yes)

Should we share Jesus with one person or everyone?
(Everyone)

HAVE FUN TOGETHER

You can find a printable invite [here](#) or on the web page where you found this lesson. Print the invitation or have your family create their own.

DO

- Allow each family member to use coloring utensils to create their own KidSpring At Home invitation.
- After everyone has finished coloring and decorating their invitation, be sure to fill in the blanks.
- If you feel comfortable adding your family's contact information, this could be a great way to start a conversation with a neighbor that could lead to a lasting relationship!
- Deliver the invitations to those you want to share Jesus with!

SAY

Jesus loves us, and He loves the people who live around us. We can share Jesus' love with the people who live near us by inviting them to church with us! Say this after me one more time:

Share (cup hands around mouth)

Jesus (both hands point up)

PLAY

Practice saying the verse together a few times, having your child repeat each line with the motions. See if your child can tell you the verse without any help, and give them a treat for working hard to memorize it!

Elementary (ES)

“Come and follow me,”

(motion hands toward self)

Jesus said. (Both hands point up)

‘I will send you out (walk in place)

to fish for people.’” (pat heart)

Mark 1:17 (make book with hands)

Preschool (PS)

“Jesus said, (both hands point up)

‘Come follow me.’” (walk in place)

Mark 1:17 (make book with hands)

PRAY

Jesus, You are awesome, and we want everyone to know it! Help us to share You with everyone we meet! Amen!
