RELATIONAL CONNECT & CHECK-IN

- What's one move, change, or decision in your life that felt scary at first—but later proved to be worth it?

GROUP DISCUSSION

Read Hebrews 11:8-16. Share anything that immediately resonates w/ you.

- 1. When you hear that Abraham went “not knowing where he was going,” what emotion does that stir in you—excitement, fear, resistance, or something else? Why?** (This reveals our heart's posture towards faith.)
- 2. What details would *you* want God to clarify before you said yes to a major calling? Be specific.** (Leader: Push past “everything.” Ask for examples.)
- 3. Have you ever followed God into something that didn't pay off the way you expected on this side of eternity? How did that affect your faith?** (Leader: Normalize disappointment without fixing it.)
- 4. Read Isaiah 55:8-9 as a group. Where have you seen that to be true in yours or someone else's life? Does this truth help grow your faith?**
- 5. “Earthly cities have no foundation.” Where have you personally seen something you trusted eventually fail you?** (Career, people, money, certainty, health, plans.)
- 6. Why is it easier to see unstable foundations in *other people's* lives than in our own?** (This one creates self-awareness.)
- 7. Read Matthew 7:24-27. How can you tell when something *feels* like a strong foundation but actually isn't? What are some practical ways we can help each other in this?**
- 8. If “faith pleases God”, what do you think displeases Him more: doubt or refusal to follow Him?**

ACTION STEP

Each morning this week, pray this simple prayer: **“God, my yes is on the table...before I know the details.”** Pay attention to what fears or resistance surface, and bring those honestly to God.

Lastly: How can we pray as a group for you as a group? Be honest...
