## **The Future**

The greatest gift ever given to the world was the gift of a child born in Bethlehem!

John 1:14, Matthew 19:14

1. There is a time in life when people are most **open** to trusting Christ. Children are most open to the gospel in the **414** window.
2. We need to **offer** Jesus to as many children as possible.
3. We are **shaping** the future of the church in children's ministry today.
4. The church that has a **vision** to create relevant environments for children will reach children and adults.
