Dear Church Family,

The Finance Committee contracted a third party to conduct an audit of the financial controls in place in the Church for the 2021 calendar year. We are pleased to report that we have received an "Unmodified Opinion." An unmodified opinion indicates that the auditor was satisfied with the financial statements audited. This means that the statements met the requirements demanded by the regulations and they were prepared in accordance with accounting principles, criteria and standards. We have received a few minor recommendations from the auditor and will be implementing those changes before the year end. Thank you for your continued support of MUMC through your prayers, presence, gifts, service, and witness.

Dean Morrison,
Finance Chair
