SERMON NOTES

Cancer Care Ministry Training Make a Difference in Countless Lives

Over 1.5 million Americans are diagnosed with cancer every year (American Cancer Society).

Do you know someone who is battling cancer – a neighbor, friend or loved one? Is your heart moved with compassion and a desire to help these people?

Our church is excited to introduce Our Journey of Hope[®], a biblically-based cancer care ministry open to anyone who is ready to make a difference in the lives of those affected by cancer. We want to bring practical support and the hope of Christ to every person in our congregation and community affected by this illness.

Register now for the Our Journey of Hope small group that will equip and commission you for this special outreach. Materials are provided free of charge.

The King will reply, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

– Matthew 25:40 NIV

Dear Church Family,

In response to questions received by The Way Forward Committee regarding current church structure, we have scheduled a presentation of "Methodist Church Structure" on Sunday, September 18, at 10am in The Forge worship Center (Spirit Center). This will not be a time of questions and answers about the potential church divide, only church structure. Please be in prayer for this meeting and we hope you will make plans to attend.
