**Desperate Times Call for Desperate Measures**

**Mark 5:21-43**

Desperate Times Call For Desperate Measures

The weird nature of Christian life and faith is that we have \_\_\_\_\_, even when it seems there is little to hope for.

We can believe in the \_\_\_\_\_ who continue to show us love and compassion and support

We can believe that \_\_\_\_\_ can and does bring something good from what seems to be our worst nightmare

God created people for \_\_\_\_\_ and does not desire their death.

**Application:** Just because we experience devastating loss does not mean our lives are over. It could very well mean that our lives are just about to truly begin! If we can only believe, and open our hearts to see the new possibilities, it may just be the greatest miracle of all!
