Dear Church Family,

I'm thinking you probably didn't know this about me, your pastor's wife...

I had Weston's picture taken every month for the first year of his life, and I never missed having it taken with the Easter Bunny or Santa, until well into his elementary school years. I felt satisfied when the "perfect" image of him was captured, and we took extreme measures to guarantee that happened. I think about how goofy Tim and I looked behind the camera trying to make Weston smile. Haha!

Obviously, there's nothing wrong with taking pictures, I still enjoy them today, but some years ago God started convicting me about the illusion I was trying to present.

Jesus' death, burial, and resurrection gives us life! Yes, by faith we've been rescued and made right before God, and yes, as a result of that victory we have a place secured in heaven, but there's more! Daily, God is resurrecting us from the death of our nature, from sin present in our lives that we can't fully shed on this side of eternity. As Christians, we should celebrate every triumph over sin, no matter how seemingly mundane or trivial, because it's evidence of God's power in us!

We *all* have a story of defeat. Death reigned in our lives until God rescued us to life and gave us hope. The most beautiful "pictures" are those of overcomers who find the courage to share their story.

When we're snapping pictures this Easter, we should all be smiling, regardless, because the same power that rose Jesus from the grave lives in us!

Love,
Staci

New in “2022”

- Beginning this year, Corinth will no longer be sponsoring/planning baby and/or bridal showers. We are happy to provide our facility for use but planning and funding will be the responsibility of family and/or friends.
- Corinth tables and chairs will no longer be loaned out for personal use. However, if you are hosting an event pertaining to church ministry and need tables and/or chairs, a reservation can be made.
- Our fellowship building now bears the title of “M-pact Building.” This is the primary space dedicated to our children’s ministry. The church will also continue utilizing this building for multi-purpose ministries. Anyone reserving the “M-Pact” building will need to do so ahead of time. Also, only church members will be allowed to reserve the building. The individual reserving the building is responsible for leaving it exactly the way they found it.
- All reservations should be made online (website/app) or by calling the church office during office hours.

We need you in ‘22!

Please visit our app, website, or guest services (on Sundays) to sign up and volunteer. Serving the Lord at Corinth is an exciting privilege. Please carefully and prayerfully ask God to show you how you can serve at Corinth. We need you to help our ongoing effort to Know and Make His Love Known!
